

Snapshots of the Week

Week: 14 October to 18 October 2019

This week.....

Poole and East Dorset Playground Leaders Academy

Eight newly appointed Year 4 Sports Ambassadors were invited to attend the Poole and East Dorset Playground Leaders Academy on the 11th October at Ferndown Sports Centre. Along with fourteen other schools from the surrounding area the children participated in a variety of workshops. The workshops were all aimed at aiding the Ambassadors to promote the positive values of sport and a healthy lifestyle through increasing participation in physical activity at their own school during the lunchtime period.

The Sports Ambassadors engaged in all areas of the training from the planning to the delivering and supporting of all age groups in a variety of sports and activities. Broadstone First School can be proud of the way our Year 4 learners represented the school with exemplary behaviour and thrilled that they all walked away having achieved Bronze Ambassador status.

Reception Healthy Ted Talk

On Tuesday our youngest learners met Healthy Ted for the first time. The school nurse and Ted came in to meet the children and show them all the equipment the nurse will use when she weighs and measures them in the next few months. There were some volunteers who were measured by Ted and enjoyed standing under the long tape measure and standing on the scales to see how much they weighed. Thank you Ted for visiting us and we will see you again soon!

Open Evening for New Prospective Parents

Last night saw the launch of our new open evening for prospective parents.

There was a real buzz around the school as families looked around and asked questions about what we do at BFS. It was also a chance for families to see our new reception area-photos to follow shortly. We cannot wait to start our tours of the school so we can share what we do in action.

How are children chosen for sporting events?

We have been invited to a number of events this year and as much as we would like to take all children to these, unfortunately we are instructed by the hosts running the event how many children we can enter. When selecting the children we do this in a fair and consistent way. Each supporting competition is aimed at different groups of children including children who have never been to a school club, children who perhaps have a particular talent in a sport or children who we feel may benefit from an opportunity to shine outside the classroom and many more.

We are keeping lists of all children who have been involved and hope to run further events so that we can include more children in these fantastic opportunities.

Reminders for next week...

Clubs

All after school clubs and music tuition will be running as normal. Please ensure your child has their instrument on the day of their tuition.
